

From Our Fields to Their Futures

Afri Flower PLC Supports Our Future – School Supplies for Employees' Children!

Afri Flower PLC is committed to supporting not only its employees but also their families. As part of our corporate social responsibility and employee care programs, the Shareholder and top management teams jointly launched **From Our Fields to Their Futures initiatives** to assist employees' children by providing school supplies ahead of the 2025/26 academic year. At **Afri Flower PLC**, we believe that when we invest in our employees, we invest in their families—and in the future.

As the new school year approaches, we're excited to share that **school supply kits** have been distributed to the children of our dedicated employees! 📚✍️📎👧👦

Together as one — our Afri Flower family celebrating back-to-school day.

This initiative reflects our continued commitment to **employee well-being** and the **education of the next generation**.

Ready for school! A proud moment as our little ones receive their new supplies.
